TENTATIVE VOLUNTEER PROGRAM SUMMARY CPC17
January 24-26, 2017
Caribe Royale All-Suites Hotel & Convention Center, Orlando, FL

The Volunteer Program will look VERY different in 2017 than it has in the past. This document is a brief **TENTATIVE** summary of the program. All details are subject to change. INCM will firm up details after the ministry budget is approved beginning June 1, 2016.

THE BASICS

The program will be broken into "shifts." Each shift is approximately ½ day. **All volunteers are required to commit to a minimum of (1) one shift, and no volunteer will be guaranteed more than (1) shift.** One of INCM's goals with the volunteer program is to involve as many people as possible, and to engage new people into the program. Since INCM is a ministry, our budget relies on the attendees and partners, just as a church relies on the tithe if it's congregation. By structuring the program in this way, we can better steward that money back into the attendee experience in the form of stable conference costs, and innovative and encouraging programming.
