# WHAT IS COACHING?

CPC offers attendees the unique opportunity to bring a specific question or issue to a personal, one-on-one, 30-minute conversation with an experienced ministry leader.

- CPC Coaches are kingdom minded leaders with a desire to use their extensive experience to serve the Children's Ministry Community.
- CPC Coaches are trained through an online course developed and led by INCM staff.
- INCM has adopted the CCNI Christian Coaching Definition: "Coaching is a professional relationship focused on empowering a person or group to effect change, create new awareness, move into action and step into abundant Christian life..."
- The primary distinction of Christian coaching is based on the foundational belief that God seeks active involvement in the lives of humans; those created in His very image.

The INCM / CPC coaching philosophy is pulled from Proverbs 20:5 ESV:  
*"The purpose of a man's heart is like deep waters, but a man of understanding draws them out."*
